Thanksgiving Point Men's League 2023 Thanksgiving Point Men's League is a competitive 9-hole golf league played on your choice of either a Weds or Thurs during the peak season. The league affords golfers of all abilities an excellent chance to compete on a weekly basis. The League is open to any person 16 years or older.

What is the cost? - Annual Membership Fee: \$40 (covers league expenses, added prize money, etc..) - Entry Fee each week is \$38 (includes \$30 green fee and \$8 prize pool entry) - 10 Round 9-Hole Men's League punch card is available for \$275 - Entry fee for Season Pass Holders is same usage fee as you normally pay plus \$8 prize pool entry

When does the league start and end? The 2023 season will begin on April 12 and will be highlighted by the Thanksgiving Point Men's Club Championship July 15. Play as often or as little as you prefer during the season. You need not play every week. There are instances when league play will be interrupted because of a holiday or big tournament, but this is rare.

Do I need to be a good player to play? No. Our members shoot anywhere from 32 to 60 for 9 holes. The league is flighted and handicapped for fair and equitable competition. All payouts will be flighted. Flights will be determined by the golf course based on number of players.

Do you need a USGA GHIN Handicap to participate? Yes, Each member of the league will need an active USGA handicap. You can sign up for a handicap index by joining the Utah Golf Association. Visit www.uga.org to sign up

What kind of events do you have? We play a variety of weekly games each week including Low Gross/Net, Chicago, Stableford, Shambles, 7 Best Holes etc. League members will need to play in a minimum of four weeks to be eligible for the Club Championship.

Will I have to play the same 9 holes every week? We do our best to alternate the 9's every week. League play will also use the WHITE and BLUE tee markers for competition.

What is the Members Cup? The Members Cup is our season long points race similar to FedEx Cup on the PGA Tour. Each week, players will earn points for participation as well as performance points based on results in each Flight. We will provide more scoring details as part of the yearly rules packet that's emailed before the season starts.

How do I join? It is simple. There are 2 things to do. 1st: Go to the golf shop and ask to join our league. There you can fill out an application and pay your annual dues. 2nd: Download the League Caddie app on your phone. We use this app for tee time bookings and scoring. Once these formalities are out of the way, have a great season and play well! If you have any other questions, please feel free to call the Golf Shop at 801.768.7401.
